- [Assess Costs Everywhere \(ACE\) Tool](#) - This product of the Department of Commerce's [Economics and Statistics Administration](#) provides manufacturers with the top reasons for investing and sourcing in the United States. With its analytic framework, links to public and private resources, and case studies, ACE is now available to help businesses assess total costs more accurately and enable informed decision-making.
- [Cluster Mapping Tool](#) - This project, made possible in part by a grant from the Department of Commerce's [Economic Development Administration](#), aims to provide policymakers and development practitioners across America with the data and tools for assessing regional cluster strengths, business environment characteristics, and innovation assets; with case studies on and toolkits for formulating development strategies; and with a directory profiling active cluster initiatives throughout the country.
- [State Business Incentives Database](#) - This national database was created by the [Council for Community and Economic Research](#) (C2ER). With almost 2,000 programs from all 50 states, as well as 5 territories and the District of Columbia, the Database is a one-stop resource for investors and economic developers to search and compare state incentive programs.

The website's navigation bar includes links for Home, About, Resources, Events, Training, and Translate, along with social media icons for Twitter, LinkedIn, and Facebook. The main content area features the BusinessUSA logo with the tagline "Discover. Connect. Grow." and a search bar. Below the logo are three vertical buttons: "Starting a Business?", "Need to Finance Your Business?", and "Interested In Exporting?". A central section titled "Explore Business Tools & Resources" contains a grid of ten icons and text links: "Grow Your Business", "Read the Latest News", "Explore Government Contracting", "Discover Events In Your Area", "Find International Trade Leads", "Explore State and Local Resources", "Learn About Taxes and Credits", "Seek Disaster Assistance", "Browse Resources For Veterans", and "Find More Tools ...". To the right of this section is a red "help" button. Below the tools section is a promotional banner for a newsletter titled "Protect the Power of Your Creative Assets" with a sub-headline and a call to action. At the bottom, there are two main sections: "Locate Closest Business Assistance Centers & Events" with a search input field containing "56901" and a "GO" button, and "What's Popular" which lists three featured articles: "SBA \$700 Thousand Grant for Small Native American Businesses", "OPIC, Sambazon and the Acal Berry", and "How to Open a Rural Lodging Business".

## :: 2015 U.S. Tariff and Trade Data for a specific product

Tariff data current through January 15, 2015. This site includes planned staged tariff reductions (where applicable) and 3-year (plus year-to-date) import data!

Enter either the *first part* of an HTS category number up to 8 digits—e.g., "8501" or "850110"—, or *any part* of a product description—e.g., "bovine", or "articho"—(*without* the "quotes"!)

The search is not case-sensitive, so the results for "Bovine" will be the same as for "BoVinE"  [List\\_items](#)

**User note:** While the USITC publishes the HTS, the U.S. Customs Service interprets it. Contact the **Customs offices** with questions about how potential importations should be classified.

In the brief item descriptions, the abbreviation "NESOI" means not otherwise specified or included.
