

United States Mission to the OSCE

Response to the Metro Bombing in Belarus

As delivered by Ambassador Ian Kelly
to the Permanent Council, Vienna
April 13, 2011

The United States expresses its deepest condolences to the people of Belarus for the terrible loss of life and injuries caused by the bombing in the Minsk subway on April 11. We condemn this heinous act that demonstrates disregard for innocent human life and seemed designed and timed to cause maximum number of injuries. In this moment of sorrow, we offer our sympathy to the families and loved ones of those injured and killed.

Thank you, Mr. Chairman.
