Pre-Solicitation Notice – – Repaving of an exterior parking area at the U.S. Embassy Lisbon

The Embassy of the United States of America in Lisbon intends to issue a solicitation for the services of a contractor to perform the work of concrete removal and cobblestone repaving of an exterior parking area serving both government owned and personal vehicles. The job will entail removal of around 650 square meters of concrete, lifting of about 550 square meters of paving, appropriate earth work for drainage and compaction, and installation of about 1200 square meters of cobblestone paving. Both normal weekday and weekend work will be required.

Only companies specializing in this field of work should apply for a solicitation package.

Please be advised that firms need to be registered in the System for Award Management (SAM) www.sam.gov before the contract is awarded. If you require any additional information, please contact the Procurement Section.
