Pre-Solicitation Notice – Replacement of Windows

The Embassy of the United States of America in Lisbon will be seeking contractor support to replace 30-year old single-pane wooden windows with new vinyl or PVC double-paned windows and sliding doors in select portions of the Embassy. The new windows will need to fit in the existing spaces and the Embassy anticipates no modifications to the walls or structure the windows are installed in.

Only companies specializing in this field of work should apply for a solicitation package.

Please be advised that firms need to be registered in the System for Award Management (SAM) www.sam.gov before the contract is awarded. If you require any additional information, please contact the Procurement Section.
