

ON THE DAY OF YOUR APPOINTMENT:

- Please arrive at the Consular Section no earlier than 10 minutes before the appointment time that you have been scheduled by the call center.
- Please do not bring any electronic devices, metal objects, large bags, liquids, weapons, and/or any other items as instructed by the embassy's security guards. You will not be permitted to bring any of these items into the building and there is no outdoor storage.
- Please make sure you have the following documents prepared:
 - ✓ A valid passport;
 - ✓ The confirmation page of your **DS-160** application
 - ✓ A recent photo;
 - ✓ The original bank fee electronic receipt from Banca Transilvania
- If the consular officer needs additional documents, they will ask for them. Additional documents for a temporary visa may include, but are not limited to:
 - ✓ Evidence of employment stating salary and position held **or/and** copy of the workbook;
 - ✓ Evidence that you have a permanent residence in Romania and you are likely to return after a short visit in the United States;
 - ✓ Evidence of personal property (bank statements and property deeds);
 - ✓ Previous passports showing prior travel history;
 - ✓ For business owners, a tax statement showing earnings and losses for the previous year; a "bilant contabil" is acceptable;
 - ✓ Birth certificates IN ORIGINAL for children under 18 years old;
 - ✓ If only one parent is present at the visa interview, either an original notarized declaration from the other parent giving permission for the child under 18 to travel to the U.S. or an original custody agreement showing sole custody.
 - ✓ Marriage certificate or divorce decrees IN ORIGINAL;
 - ✓ Passport with valid visa of spouse
- Applicants should have these documents ready if needed, and be prepared to answer questions regarding the reasons for their travel as well as questions regarding their business, family and social relationships in Romania.
- U.S. Immigration law presumes all applicants to be an intending immigrant; we can never guarantee the issuance of a visa in advance of application. However, applicants who follow the instructions on the website carefully and pay attention to whether their personal situation currently qualifies for a temporary visa to the United States increase their likelihood of receiving a visa.
