

The Department of State has completed a periodic update to the Country Specific Information (CSI) page for Senegal. You may access the CSI for Senegal at:

We strongly recommend U.S. citizens traveling to or residing in Senegal or Guinea-Bissau enroll in the Department of State's **Smart Traveler Enrollment Program (STEP)**. STEP enrollment gives the latest security updates, and makes it easier for the U.S. embassy or nearest U.S. consulate to contact you in an emergency. If you don't have Internet access, enroll directly with the nearest U.S. embassy or consulate.

In addition, if you wish to participate in the optional SMS/text messaging program to receive security notices via text message, please send an email to **DakarACS@state.gov** for additional information.

Regularly monitor the State Department's **website**, where you can find current **Travel Warnings**, **Travel Alerts**, and the **Worldwide Caution**. Read the **Country Specific Information** for Senegal and neighboring countries. For additional information, refer to the **Traveler's Checklist** on the State Department's website.

Contact the U.S. embassy or consulate for up-to-date information on travel restrictions.
