

**JUSTIFICATION AND APPROVAL FOR OTHER THAN FULL AND OPEN  
COMPETITION (OVERSEAS CONTRACTING ACTIVITIES)**

1. I recommend that Embassy Singapore use other than full and open competition for the acquisition of BMW vehicle repairs. The cost is S\$9,008.52 including government sales tax.

2. Nature and/or description of the action being approved.

**The Contractor shall provide labor, materials, tools, technology, transport, expertise to replace parts and repair US Government owned vehicle S1903CD**

3. A demonstration that the proposed contractor's unique qualifications or the nature of the acquisition requires use of the authority cited (for sole source acquisitions; also required for unusual and compelling urgency where more than one offer will not be solicited).

**Performance Motors Limited is the only authorized dealer in Singapore for repairs of BMW vehicles**

4. A description of efforts made to ensure that offers are solicited from as many potential sources as is practicable. The description should include whether a FedBizOpps notice was or will be publicized, as required by FAR 5.2, and if not, which exception under FAR 5.202 applies (e.g., blanket waiver provided in DOSAR 605.202-70).

**Please see item 3.**

5. A determination by the Contracting Officer that the anticipated cost to the Government will be fair and reasonable.

**Prices quoted by Performance Motors are standard prices in Singapore market.**

6. A listing of sources, if any that expressed, in writing, an interest in the acquisition.

**None. See item 3.**

7. A statement of the actions, if any, the agency may take to remove or overcome any barriers to competition before any subsequent acquisition for the supplies or services required.

**Removal of barriers is only possible if BMW has more than one authorized dealer in Singapore.**
