

Statement of work:

The specifications of the aluminum windows at the townhouses are as follows:

- 1- The section to be used: TANGO.
- 2- The color is bronze.
- 3- The final finish should be hammered finished.
- 4- All the leaves should be hinged.

The dimensions are: Three windows = 1.34 cm * 1.44 cm.

One window = 1.34 cm * 1.34 cm.

There are four windows per house so the total windows for all eight houses are thirty two windows.

Note: Dimensions should be checked again by contractors on site.
