THE FOREIGN SERVICE OF THE UNITED STATES OF AMERICA

ANKARA, April 21, 1961.

No. 1329

EXCELLENCY:

I have the honor to refer to the Agreement between the Government of the United States of America and the Government of the Republic of Turkey, signed at Ankara December 27, 1949, as amended, n1 to promote further mutual understanding between the peoples of the United States of America and the Republic of Turkey, by a wider exchange of knowledge and professional talents through educational contacts. I have the honor to refer, in particular, to Article 1 of the Agreement under which it was agreed to establish a commission which would be known as the "United States Educational Commission in Turkey".

-----End Footnotes----- [*2]

At a meeting held on March 3, 1961 the Board of Directors of the United States Educational Commission in Turkey, recognizing the desirability of assuming a name which would describe more

accurately the binational character of the program under its direction, adopted a resolution to change the name of the Commission to "Commission for Educational Exchange between the United States and Turkey".

I have received an instruction informing me that the Government of the United States of America agrees to this change of name. Accordingly, I propose that Article 1 of the Agreement be amended by deleting the words "United States Educational Commission in Turkey", and substituting the words "Commission for Educational Exchange between the United States and Turkey".

Upon receipt of a note from your Excellency, indicating that the foregoing amendment is acceptable to the Government of the Republic of Turkey, the Government of the United States of America will consider that this note and your reply thereto constitute an agreement between the two Governments on this subject, to enter into force on the date of your note in reply.

Accept, Excellency, the renewed assurances of my highest consideration. [*3]
