

Per requirement of the State Department, all the grant recipients are obliged to have DUNS number as a part of their application form and grant agreement. DUNS is a nine-digit number, that is a unique code for a company or an entity, which is available in the database of the Dun and Bradstreet (D&B) Rating

How to receive DUNS?

Get in contact via phone or send via e-mail filled in an application form (the application form will be provided by the authorized company upon your request) to:

A.B.M. Rzyk-Inform Ltd. (official representative office of Dun and Bradstreet in Ukraine)

33, Osynnya St., Kyiv, 03164

Tel.: +38 (044) 499-0099

info@dnb.com.ua

www.dnb.com.ua

Please be aware that the process of receiving DUNS is **FREE**.

DUNS number is not activated right away. It takes 15 days since the registration for the DUNS to become activated. Only, when you receive the confirmation that the number is activated, it can be indicated in the application form and on the grant agreement.

ATTENTION! Every 5 months the organization has to confirm via phone to A.B.M. Rzyk-Inform Ltd to keep its DUNS number active.

Please send your DUNS number along with the application form via e-mail to KyivDemGrants@state.gov.
